█ M █ █ A █ R █ █ S █

2482

Statistics

Medical Outpost networth: 2,000,000 (1620.000)

Average Gross income:

Power Output: 20-40 kilowatts

Active Crew:2

Services %amount

Medical Exams (Basic): 75 credits

Medical Exams(advanced): 250 credits

Surgery (simple) 500 credits

Surgery (moderate) 1000 Credits

Surgery (advanced) 2000-4000 credits

Genetic Augmentation

Cybernetics (organ) 1000-5000 based on capabilities of the organ

Cybernetics (limb) 1000-7500 based on limb and capabilities of the limb

Radiation treatment (stage 1) 100 credits

Radiation treatment (stage 2) 500 credits

Radiation treatment (stage 3) 2000 credits

Damage Report

n/a

Research

AGIS modified "Jellyfish" DNA and tissue studies (Medium)

Genetic modification for low oxygen lungs (Hard)

nanite based cybernetic auto maintenance unit (Medium)

immunostabilization for mutated cellular structures (Medium)

Development

Financial

Corporate funding:1,000,000 per quarter

Outpost Expenditures: -380.000c medical supplies

RP Elements

*Static research, development, repairs and investigations will increase 5% gradually,

1st Quarter: October 1, 2nd Quarter: January 1,3rd Quarter: April 1,4th Quarter: July 1
