

Research & Investigation

Posted by stark - 19 Oct 2012 04:33

Here is the accumulative progress on both research and investigations. Every research/investigation will have a difficulty moderator applied to it that will adjust every roll made. Research credits are used for the development of technology and additional information. (easy 75%, moderate 50%, difficult 25%)
(average 7-14 days, moderate 2-4 weeks, difficult 4-6 weeks)

Neutralizing Radiation from Martian Flora

Progress:

Skill: Science

Difficulty: Easy

Materials: Martian Flora I x5, Martian Flora II x5

Description:

Rewards: 2 research credits, +450p division, +100p assisted, +400c
